Higher Seed is the Home Team for Single Elimination

All NCSA Peach State Fall Classic games are official NCSA-sanctioned non-conference games.

***Due to the odd number of participating teams, Kentucky has agreed to play a fourth pool play game so that all teams will have three pool play games.

Kentucky will play all four games and at the conclusion of their fourth game all four games will be placed in a hat.

The match-up that is drawn out will be the one that does not count towards Kentucky's single elimination seeding. It will still count for the opponent of that game but not Kentucky.
