2021-2022 Season Outlook: *

We are looking extremely well this season. Our pitchers are in their prime and our lineup is out of this world. I would be scared if you were in our conference this year. We are absolutely looking forward to getting into Nationals in Georgia this year.

Interesting/fun facts about your team:

We have girls from all across the country on this team with so many different backgrounds. We are a family. We take care of each other and would drop anything to help one another. I have never felt so comfortable around any team that I have been apart of and would not have any other group of girls to support me through my college career.
