2021-2022 Season Outlook: *

I think this season is going to be better than ever. We have several returners as well as a lot of interested girls. We would like to work hard and be better mentally and physically as we begin the new season. Our goal is to make it back to the World Series and see a different outcome.

Interesting/fun facts about your team:

We took on the World Series 2021 with 9 players and half of us had pre-existing injuries, but we absolutely enjoyed every second and cannot wait to be back next year.. with more girls and no injuries of course!

2021-2022 Season Outlook: *

We are so excited to be back to normal from game days, to practices, to hanging out with our teammates outside of softball. We are ready to work hard and give our all to every ground ball, every at bat, every practice, and every tournament because we know that nothing is promised. Most of all we are ready to make more memories as a team and as Seminoles. There is no greater feeling than representing the University we all love so much while playing the sport that we hold near and dear to our hearts.

Interesting/fun facts about your team:

We had 2 abby/ies, 2 Carl(e)ys, and 2 Courtneys on the team all at once, we had a speaker names Petunia, we have three players who are a part of Phi Mu sorority at FSU, we went tubing down a river the day they opened the damn in months and we almost got swelled by the water as a team
