2022-2023 TEAM PREVIEW GUIDE

Team Name: Georgia

Mascot: Bulldogs

Location: Athens, Georgia

Captain(s)/Coach(s): President - Natalie Burrow, Co-Captains - Lauren Anderson and Julia Pfitzner

2021-22 Performance:

- Record: 32-10
- Final Conference Ranking/World Series Results: World Series Runner-Up, Regional Runner-Up
- Notables: Regular Season Conference Winner

Number of Returning Players (Include conference/league award winners): 10-11 including National Pitcher and Player of the Week Kinley Phillips

Players to Watch:

Kinley Phillips - Kinley is a dynamic player who is competitive and takes full advantage of every opportunity. Her softball IQ and overall desire to win helps her to be aggressive and not be afraid to go above and beyond. We added her late last season but expect her to give her senior year everything she has got.

Lauren Anderson - Lauren has really made an impact on our team since coming on last season. Her fielding abilities is what make Lauren stand out. Not only does she give every play her all, but her softball intelligence allows her to excel even farther than most.

Jessie DeNardo - Being one of the most athletic individuals on the team, Jessie has been a huge addition to our team on and off the field. Not only is she passionate about this team, but she's also very passionate about the sport. She's been huge for us defensively, but we cannot WAIT to see her bat work this season.

Madeline Jackson - Being one of our only left handed hitters last year, Madeline has been a HUGE addition to our team. Madeline continues to step up in whatever role we need her to and takes the opportunity with full heart. She's the sweetest human you'll meet and we expect her to continue to be a staple in our offense.

New additions: *We haven't held tryouts yet but we anticipate great talent to come out this year!*

Biggest Rival:

Honestly, I would probably say Clemson. Last season, we played them several times and each time you could tell how passionate each team took the game. Despite playing different teams, anyone can feel the passion and excitement in our games with Clemson and those are the games that make playing softball special.

Best Player Nickname:

Last year we had a LOT of good nicknames including CP and Dawg Sky, but this year we have just one 'interesting' one, "Purry".

2022-23 Season Outlook:

Our season outlook is to just keep building and improving. We saw and made such a tremendous growth in our team dynamic and level of competition. This is very exciting for us, but we never want to get complacent. We want to keep building and keep improving ourselves as individuals, but how we work as a team too. With the amount of returners, this Phineas and Ferb quote comes to mind "Dude, we're getting the band back together."
